

CLUB MANAGER

Snowflake Ski and Golf Club is looking for a Club Manager to provide progressive leadership for our club functions. The Club Manager reports directly to the Board of Directors and is responsible for the daily operation of the Club. The Club Manager has management responsibility for the Clubhouse Bar, 9 Hole Golf Course, and other fundraising events.

Competitive candidates must be strong in food and beverage service management, have excellent communication and customer service skills, and pursue a high quality of clubhouse facilities and services for the enjoyment of our members. Bar and/or Golf course management experience is preferred. The successful candidate must have the ability to relieve the Board of Directors from most of the day to day operational concerns so that they can concentrate on the club's goals and objectives including but not limited to long range planning, club governance and membership development.

To apply, please email a cover letter, resume and a minimum of three professional references to **employment@snowflakeskiclub.com**. Applications will be accepted until March 24, 2007. Snowflake Ski and Golf Club is an Equal Opportunity Employer.
